NOTES:

- If you click *Approve* while a mandatory field(s) is missing, you will be redirected to the *Event Details* page and prompted to complete the field(s) first.
- Once reviewed, all events will need to be approved by ANG P&P Div Chief. For more information on approving events, see the ***Approving Events in Strong Bonds ANG Quick Start Guide***.
- Rejected events can be re-submitted by the Wing PM after the appropriate changes have been made. For more information on creating and submitting events, see the ***Creating Bulk Events in Strong Bonds ANG User Guide***.
- When selecting multiple events, you can select *Delegate Users* to delegate Event Coordinator to these selected events. For more information on delegating Event Coordinators, see the ***Creating Bulk Events in Strong Bonds ANG User Guide***.
